What jobs can I get with my History BA? And how?

Friday, March 4, 2016 from 1:00pm to 3:00pm

DM 370

Phi Alpha Theta would like to invite all interested students to attend a Career Panel. A few of our own graduate students will discuss the jobs and careers they went into right after finishing their B.A.s, how they moved into those careers, and how you might too!

Snacks will be provided!
