

History Research Incubator

The Department of History is pleased to announce the **2026 History Research Incubator**. A call will be made in early **Spring 2026** for students to apply to be presenters at the HRI and compete for the prestigious **\$200 Chair's Award**, as well as other prizes. Student Presenters will offer a 'data blitz' (**5-7 min, 5 slides**), analyzing a primary source they have discovered while undertaking historical research.

Scan the QR code for more information!

In addition to having the opportunity to earn winnings, they'll receive feedback on their work in real-time from History faculty, get valuable experience as presenters, and learn about further opportunities for pursuing research. We welcome undergraduate students – including from **Fall 2025** and **Spring 2026** upper and lower-division History classes – as both presenters and audience members.

FIU
Department of
History

All are welcome to enjoy free lunch! Stay tuned for the CFP coming in **February 2026!**

MORE INFO COMING SOON!
